CAPSTONE PROJECT 1

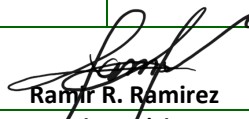

PROJECT INFORMATION	
GROUP NAME	DevSphere
PROJECT TITLE	DentoGraph: A Software as a Service (SaaS)-Based Digital Dental Record Management System with 3D Visualization and X-ray Integration for Multi-Clinic Use
ORAL DEFENSE DATE TIME VENUE	June 29, 2026 10:00 AM – 11:00 AM F1501

DOCUMENTATION (30 POINTS)

CHAPTER 4: RESULTS AND DISCUSSION						
CRITERIA AND WEIGHT	5 VERY ACCEPTABLE	4 ACCEPTABLE	3 FAIR	2 NEEDS IMPROVEMENT	1 POOR	SCORE
Presentation of Results (x2)	All results are correct and clearly presented	All results are clearly presented	Most results are clearly presented	Some results are clearly presented.	The results presented are not correct.	
Summary of Findings (x1)	<u>All findings</u> are valid and well supported.	All findings are supported.	<u>Most findings</u> are supported.	<u>Some findings</u> are supported.	The findings are not supported.	

CHAPTER 5: CONCLUSION						
CRITERIA AND WEIGHT	5 VERY ACCEPTABLE	4 ACCEPTABLE	3 FAIR	2 NEEDS IMPROVEMENT	1 POOR	SCORE
Conclusion (x1)	The conclusions are well supported, restate personal learning and captures the focus of the project	The conclusions are well supported and restate personal learning.	The conclusions are clearly stated and supported	The conclusions are clearly stated but not well supported	The conclusions are not properly stated.	

CHAPTER 6: RECOMMENDATION						
CRITERIA AND WEIGHT	5 VERY ACCEPTABLE	4 ACCEPTABLE	3 FAIR	2 NEEDS IMPROVEMENT	1 POOR	SCORE
Recommendation (x1)	The recommendations for the project are acceptable and attainable and significant.	The recommendations for the project are acceptable and attainable.	The recommendations for the project are acceptable.	Weak recommendations for the project are provided	<u>No clear</u> recommendation s for the project are provided.

**DOCUMENTATION (Con't)**

OTHERS						
CRITERIA AND WEIGHT	5 VERY ACCEPTABLE	4 ACCEPTABLE	3 FAIR	2 NEEDS IMPROVEMENT	1 POOR	SCORE
Content (x1)	All appendices required and needed are complete and correctly presented.	Almost all required appendices are complete and correctly presented.	Most appendices <u>are correctly presented.</u>	Few appendices are presented but <u>not all are correct</u>	<u>Incomplete</u> appendices are presented	

PROTOTYPE (40 POINTS)

CRITERIA AND WEIGHT	5 VERY ACCEPTABLE	4 ACCEPTABLE	3 FAIR	2 NEEDS IMPROVEMENT	1 POOR	SCORE
Project Output (x4)	The prototype meets <u>all</u> objectives of the project.	The prototype meets <u>almost all</u> objectives of the project.	The prototype meets <u>most</u> objectives of the project.	The prototype meets <u>few</u> objectives of the project.	The prototype does <u>not</u> meet any objectives of the project.	
Relevance to specialization (x2)	The project is <u>relevant and significant</u> to the program specialization.	The project is <u>relevant</u> to the program specialization	The project <u>is sufficiently relevant</u> to the program specialization	The project has <u>minimal</u> relevance to the program specialization	<u>The project has poor relevance</u> to program specialization	
Project Demonstration (x2)	All processes and outcomes are properly and clearly demonstrated.	All processes and outcomes are demonstrated	Most processes and outcomes are demonstrated	Few processes and outcomes are demonstrated	The project processes and outcomes are not demonstrated.	

PRESENTATION (30 POINTS)

CRITERIA AND WEIGHT	5 VERY ACCEPTABLE	4 ACCEPTABLE	3 FAIR	2 NEEDS IMPROVEMENT	1 POOR	SCORE
Consistency (x3)	The project discussion is consistent and evidently supported based from the project paper.	The project discussion is consistent with the project paper.	Most of the project discussion is consistent with the project paper	Some parts of the project discussion are consistent with the project paper	The project discussion is not consistent with the project paper.	
Materials (x1)	The materials used exemplary contributed and significantly led to project understanding.	The materials used contributed and significantly led to project understanding.	The materials used contributed to project understanding.	The materials used somehow contributed to project understanding	The materials used did not contribute to project understanding.	

 Ramir R. Ramirez
 Project Adviser
 (Signature over Printed Name)

PRESENTATION (Con't)

CRITERIA AND WEIGHT	5 VERY ACCEPTABLE	4 ACCEPTABLE	3 FAIR	2 NEEDS IMPROVEMENT	1 POOR	SCORE
Manner of Presentation (X1)	The presenters were able to communicate the project ideas in a most appropriate manner.	The presenters were able to communicate the project ideas	The presenters were able to communicate most of the project ideas.	The presenters were able to communicate some of the project ideas.	The presenters were not able to communicate project ideas.	
Presentation of Project Overview (x1)	Project overview was <u>clearly</u> explained	Project overview was <u>adequately</u> explained	Project overview was <u>somehow</u> explained	Project overview is <u>not clearly</u> explained	There is no project overview

CAPSTONE PROJECT 1

PROJECT INFORMATION	
GROUP NAME	DevSphere
PROJECT TITLE	DentoGraph: A Software as a Service (SaaS)-Based Digital Dental Record Management System with 3D Visualization and X-ray Integration for Multi-Clinic Use
ORAL DEFENSE DATE TIME VENUE	June 29, 2026 10:00 AM – 11:00 AM F1501

PROPONENT'S NAMES	
1. ENDOZO, JUSTIN KIRK O.	3. SANTOS, KEITH NELSON A.
2. PANOL, JAYVEE O.	4. TAN, KURT JOHN LESTER O.

CRITERIA AND WEIGHT	5 VERY ACCEPTABLE	4 ACCEPTABLE	3 FAIR	2 NEEDS IMPROVEMENT	1 POOR	STUDENT'S INDIVIDUAL SCORE				
Subject Mastery (x8)	Student discusses the subject with <u>enough</u> information, provides supporting details and gives specific examples.	Student discusses the subject with <u>enough</u> information and supporting details.	Student discusses the subject with <u>enough</u> information.	Student discusses the subject with <u>very minimal</u> details during the discussion.	Student has <u>no</u> subject mastery at all.	1	2	3	4	5
Ability to Answer Questions (x6)	Student can answer <u>all</u> questions about the subject and can explain thoroughly.	Student can answer <u>most</u> questions about the subject.	Student can answer <u>some</u> questions about the subject.	Student can answer <u>few</u> questions about the subject.	Student <u>cannot</u> answer any question about the subject.	1	2	3	4	5
Delivery (x2)	Student shows <u>very excellent</u> gestures and expressions to convey ideas.	Student shows <u>very good</u> gestures and expressions to convey ideas.	Student shows <u>good</u> gestures and expressions to convey ideas.	Student shows gestures and expressions that <u>needs improvement</u> to convey ideas.	Student show <u>poor</u> gestures and expressions to convey ideas.	1	2	3	4	5
Verbal and Non Verbal Ability (x2)	Correct grammar, pronunciation, choice of words and use of the English language in general are exceptional.	Correct grammar, pronunciation, choice of words and use of the English language in general are good.	Correct grammar, pronunciation, choice of words and use of the English language in general are acceptable.	Correct grammar, pronunciation, choice of words, and use of the English language are acceptable, with some flaws.	Correct grammar, pronunciation, choice of words and use of the English language in general are rarely observed.	1	2	3	4	5
Grooming (x2)	Student wears formal attire and appears professional, well groomed, and decent.	Student appears professional and decent.	Student is well-groomed and in corporate attire.	Appearance is unprofessional but attempts have been made to look decent.	Appearance is unprofessional.	1	2	3	4	5
